Havre de Grace 4. April 1844

C. Bonne Esq.

Sir

Your favor of the 16. ultimo has been received, requesting me to inform you what price I can let you have a Merino Ram, of one or two years old, full blood; and whether I have any full blooded Ewes to spare. I can let you have a full blooded Ram of two years old at Fifty dollars, at which price I have lately sold twenty, some of which, with one for Mr Murray, I shall send to Baltimore, and, if you give me the name of your friend there, I can send one for you at the price above mentioned. The Ram I will warrant full blooded, and in good condition when he leaves my farm — Ewes I cannot spare of full blood.

I am respectfully

Sir
