Dear Sir Belvoir Sept.r 29th - 1814 -

I have received your favor of the 24th. this Evening & write this to take the next Fridays Mail — As you can't have an opportunity of viewing my Cattle; and your mentioning having purchased good 4 year old Steers @ $20 each. I believe the Cattle I have offered you. would not be as cheap to you - as you will have an opportunity of purchasing on the road about Tommy Town - I have bought most of the Cattle I mentioned to you - as Beef @ $6 p.r C.wt - and as I should not like to sell them for less after having pastured them so long - that is for the last time I wrote you — I think it will be best for you to decline taking them - & purchase nearer Home - where you can view & select such as will suit your pasture — I think 4 or 5 of mine would require a little grain to make them good Beef — the younger ones might do on grass
