Dear Sir

I am just favored with your esteemed Letter of 25th Currt & note what you say respecting the Blacks. I have no doubt we could in some Time make the Girl useful, & when we have none she could wash dishes & do a number of little Things which would save Mrs Thomson or Fanny so much, but the price is the only objection it is so much more than Girls of that Age sele for here, the payment no doubt would be very accommodating, it would be equal to about 2½ years Credit on the whole say $37½. For my own part I had never heard the price usually given until Mr Bowie told me (when I was asking
