which suits Ned's business pretty well —
If your Sheep should get fat by 20th March
please to let me hear. how many you
could sell fat at what price — & what you
think they would weigh —
We have had some very hard weather
here — which has occasioned a great loss
among my Lambs — & calls for high
feeding — We are all well & write
in friendly respects to Mrs Browne
— yourself & family —

Yrs truly
