Dear Sir

Annapolis Feby. 27th - 1815 -

I received your favor of the 18th Inst. by Mail and find you had not then received my Letter in answer to yours of the 13th Inst. I am very glad, at least, to enclose you a Copy of Mrs. Scott's final Acct. as I do not know of any private conveyance at this time - shall direct it to go by Mail from this in the Morning - and hope it will arrive in time to answer your purpose before you go to George Town - I am sorry I could not procure the Copy earlier - but I can assure you it has not been for my want of pressing Genl. Gassaway -

G. Gassaway informs me you have a Copy of the final Acct. passed by Mrs. Scott which with the one now forwarded puts you in possession of the whole proceedings relative to the Estate - From the Acct. now enclosed there appears a balance due from Mrs. Scott to you of $794=93 p cent - which stands ready in the Farmers Bank at Annapolis to be paid to your order at any moment -

I received a few Days since a Letter from Messrs. John Campbell White & Sons enclosing a Check upon the Farmers Bank of Maryland for $900 - being for your annual payment due to Mrs. Scott under the Will of the late Dr. U. Scott - this sum I acknowledge to have received for the use of Mrs. E. Scott - this you will consider as
