Dear Father York March 12 1815

Mr Freeman has just received your letter. I am glad to hear you have got so far on with the Instrument, please to send me the Instrument as soon as possible as I will soon be in need of them. Our new master is a very good Grammar and Latin Scholar but he is very bad about the accounts for sometimes when I am standing beside him working sums I have to put them right in multiplying, and if he cannot perform the answers the right way he will pitch it any way he can. Tell Rose that is a mistake about the ribbons it was Mrs Cotheart that got it. Thope Upham is coming on very well with Hester; how is Margaret good girl? I have got now an old geese that is very large and captain says they more closer to me than the small addition, Joe that was hired here after he was paid off and was going away said Mr Dean has owed him $12 but Mr Dean has said he did not owe him it and he said he would have, and so he went away to Marietta for
