I am glad to see the Corn so much improved as it is here since the very warm weather has commenced — I am now preparing to cut my Hay — which is a tedious job here.

By all means urge the propriety of pushing on the Turnpike road — now is the time — if it succeeds the value of your Lands must be much encreased — & you will have to set about your Mill — Dwelling House &c — I will enquire of some Brick-layer as to the Vault — there is a Man now making Bricks at Ann — & he means to continue the business — therefore Bricks can be had conveniently — Mrs. Scott has rented her House in Annapolis to a Mr. Pollock from Baltimore — who took possession in last Month — at $300 p.r year — The Green House Plants Mrs. Scott has sold to Mr. Shaaff — she could not keep them alive & thought it best to get something for them — for notwithstanding the expense of wood last Winter & a Person there to take care of them — still many of them suffered — some stolen & this Spring they appeared in a bad way —

A Friend of mine has requested me to ask you if you will sell ~~the~~ your reversion of the Property in Annapolis — now held by Mrs. Scott during her life — and what will be your price in Cash on the nail — he wishes to know soon — If you are not inclined to sell — Mrs. Scott would be glad to sell you her life in the property —

I am glad to learn that P. of Paris is now in plenty in Balt.e — when it gets to $10, or 12 — I will lay in a good stock — Miss Winnie is well & on a Visit to her Friends in Annapolis — Mrs. Scott & Mrs. Maynadier send their respects to Mrs. Winnie — yourself & Family — with mine also I am Yrs. truly — H. Maynadier —
