Frederick Town Augt. 14

Dear Sir

Your suit against Conn is continued because the Commission is not returned. Your attendance therefore will not be necessary on that account. But as the Court will probably adjourn this week, if you wish to be naturalized, you had better come down immediately. I have just been examining the naturalization laws. It will be necessary to produce the certificate which you procured from the Circuit Court of Baltimore.

Yrs. Truly

Upton S Reid

My Dear Friend

I write merely for the purpose of telling you that I do those belonging to me are in good health — as also, that I have forwarded the Records up to this date — — for I am persuaded that every thing with which I am charged to you — I have written you repeatedly since the re-establishment of peace between the two states — With best compliments to Mrs. Birnie — Miss Mary — Hester &c &c —

I am yours as usual

Sam Bryson
