STAND BY THE POLICY,

Sublime, Patriotic, and National,

of America for the Residents of America. Do not abandon the system which gives the country the best Opportunities for its Farmers, Mechanics, and Young People, they have ever had! No Interference with the Protective Tariff and no Repeal!

Trample upon every proposition for Unlimited Free Coinage of Silver Dollars which are worth only 72 cents on the dollar. Make them worth a full Dollar. The $145,000,000 of National Bank Notes withdrawn from circulation since 1881 have been replaced by over 325,000,000 of Silver which has been put out. Now make the people's money worth its face, for your own benefit!

Reserve the Public Lands for actual settlers and save them from monopolies and speculators! Protect and encourage the actual settler!

No interference with the progressive policies of the Republican party (repeatedly enacted into law) of building up a New Navy; Protecting the Sea Coasts; Pensioning Union veterans; excluding the Chinese; Regulating Inter-State Commerce; defending the Common Schools; Protecting American Citizens abroad; Securing Reciprocity with other American Nations; demanding Free Expression of the Popular Will in Elections, and an Honest Count; Extending American Commerce; Reviving American Shipping; Temperance; and Restraining Trusts.

The Superb Market Reports of The N. Y. Tribune are now positively the best printed by any newspaper in New York City. The Tribune is the only newspaper in New York, which sends men personally into every market in the city every day of the business week to obtain actual prices and the state of trade. Other papers make up quotations largely from circulars. Commercial travelers say unanimously that the Tribune's Market Reports are the best. The Tribune now beats all rivals in the accuracy and wonderful completeness of its quotations. To be successful, a practical and level headed man must keep fully informed as to Prices and the State of Trade. This can be done by taking the Tribune.

Illustrations of the news of the day are freely used in the Tribune. This paper has its own corps of artists and photo-engraving plant. It contains features for the ladies and children; foreign letters and book reviews, and many special features.

No matter whether you agree with the N. Y. Tribune or not, in its sentiments, can you afford not to read its Dollar Weekly, regularly, while a reactionary party is in power and during these times of Change?

The N. Y. Tribune is the ablest, most aggressive, and soundest advocate of Republican policies. What the Republican party intends can be learned from the N. Y. Tribune. The Tribune's motto is the Truth and only the Truth. The articles of Roswell G. Horr, on the Tariff, Currency, Wages, etc., will be continued.

Remember! The N. Y. Tribune is the cleanest, purest, and safest of newspapers for your family. Does a weekly newspaper, which invades the home with immorality, sensation, and falsehood, receive your sanction? The broad columns and large print of The N. Y. Tribune make it the easiest paper to read.

The Tribune has the largest circulation of any Weekly in the United States, issued from the office of a Daily. We have challenged the country for a year, with no takers.

"Washington's Farewell." Write for the full illustrated Premium List of The N. Y. Tribune. A copy will be mailed, free of charge. "Washington's Farewell to his Officers," an accurate historical picture, painted expressly for the The Tribune by an artist of great authority, will be sent to every one paying $1.20 for his paper. Other exceedingly interesting and valuable articles are included in The Tribune's list.

Terms for 1894. Sample copies free. Weekly, $1. Semi-Weekly, $2. Daily, including Sunday, $10. The Sunday Tribune separately, $2. Tribune Almanac for 1894, ready in January, 25 cents, all previous numbers eclipsed.

All Who are Suffering with Piles,

Read the Following.

BIRD HILL, MD., JUNE 5th, 1893.

Dr. John S. Mathias:

Dear Sir:—I feel as though it would be a duty left undone and one I owe to yourself and to suffering humanity—if I did not tell of the wonderful benefit I received from your kind treatment. I suffered for about twenty years with Piles—for the first seven or eight years, not so severely; but for the last twelve years I suffered more than I am able to describe on paper, indeed I had them in their severest form. I applied to a number of doctors, and tried every remedy that I heard of, only to be disappointed and in nearly every instance not even temporary relief.

Indeed, I was in a pitiful condition when I called on you. Think of nine large tumors protruding, capable of bleeding fully a pint at every time they bled. I was so weak and nervous from loss of blood and from intense suffering that I did not think life worth living any longer. But thanks to you and your kind treatment, I can say that the Piles are a thing of the past. I cannot find language to express my gratitude to you, for your kind treatment and attention in my case, and humbly pray to God that your life may be a long and prosperous one. Let me say in conclusion that I can with confidence recommend any sufferer, no matter how bad his case may be, to go Dr. John S. Mathias and be cured.

You are at liberty to use this letter as you see fit. Every sufferer wishing to know more about my case, can find out by addressing me at my postoffice.

Very truly yours,
HOWARD T. SMITH.

These are not living prices. You may say how do I live. I have no rent to run a store and fuel, &c., and do all of my own work. I don't pay any hands one year to do three months' work in season. This is a chance to get papering done cheap. Take advantage while you have a chance. I will do as before,

done by me. I can give the best references in the county.

There has been a great deal said about me being a ascab workman, but it was only said by those who can't compete with me in price and workmanship and who are afraid of me—never by a party that I did work for. Write for sample and price, or I will come to see you in person and tell you what your job will cost. I can be found 300 yards from the limit of Westminster on the Littlestown turnpike.

Thankful for past favors,
Very Respectfully,
