My Dear Son

I send Poly over to see how your Mother is as I am very anxious to hear from her some of us will have to see you last week but was not able to walk and the horses were engaged hauling out manure which we have got done and I am glad of it and to morrow if the weather permits we begin to harrow and roll our Corn and then to cut our Clover - no rest for the poor farmer Polly and myself have been weeding flax out of 2 days there is a nine Rumo that it that calls it down and Potatoes spoile it the girls intended to go to Piney Creek to day but Frank said the Horses Ready was two hard I hear there is a Mr Greer to preach but me know what day Mr Davidson is expected down if you have heard. I hear the British is Returned to Annapolis again but there is no certainty of it and I
