From the enclosed Circular you will see our business is that of a Commission one, and will be mostly in the American trade, we have already had one Vessel Consigned to us by the Orient Captain Oliver Wicks from New-York, with a part of the Cargo, we expect to do something considerable with Messrs J. Harrison & Co of New York, and to whom I refer you if necessary

Now Dear good Sir may I request the favour of you, should you or any of your Friends be inclined to send American produce to this Market, to favour our House with Consignments, and we will send your return Irish Linens, Whiskey, Cabinetts, or in fact any thing you may order, Flax is brought to great perfection here and moderate, there is little or no rise on Linens, and we could ship the very best Whiskey (with the Drawback off) at 3/2 pr Gallon, so that in Baltimore including your 25 pr Cent. and all charges it would not stand more than 5/ pr Gallon there certainly could be Money made on this Article; we could ship the most beautiful Cabinetts that are made at 4/2 pr Yard, we have made a small adventure of this latter article on joint acct with Capt Wicks to New-York, and which we are fully satisfied will do well

Georgia Upland Cotton is in great demand here selling from 2/4 to 2/6 [illegible] well Staves from £25 to £26 pr M. [illegible] from 1/4 to 1/7 — Pots & Pearl Ash £4.14 £4.18 Flaxseed, I am afraid, will be low next season, it might do, provided it could be landed at or under Four pounds pr Hhd. Turpentine 1/ pr Cwt — Rosin 15/ indeed every kind of American produce is in demand, and next Spring we expect a brisk trade — Allow me the pleasure of hearing from you and believe me to be with much regard

Dear dear Sir

Yours most truly

Rob. Jameson
