KODAK SAFETY A FILM ++

My Dear Sir York 20th Oct 1815

We Rec.d your Esteemed favor last post, & altho' we had not wrote for 2 or 3 posts it was not from having forgot our Friends, but for a want of any thing particular to communicate — This Writer had been enquiring about Wool & found a considerable Quantity of good common Wool could be sold to the Hatters here at 50 Cents pr lb — this we desired Sally to communicate in a Letter to Matilda some days ago — We have began to brew & what we have made would please you, it is not black Strap, but a good nut Brown, we

he says he has a farm in Ireland & it just joind the Meeting House at Connor —
In haste yours truly
