We intend sending a Waggon load of our Ale to Ballymoan the ensuing week - it has got the Preference in that Road - all I shall say is nothing, shall be wanting on our part to get a share of Publick favor - when you meet Worthy give my love to them, & tell him I wish much to hear from him - We expect you and Mrs Birnie & Miss - provided there is good Slaing - bring little Roger with you - my love to the girls also your Father - & believe me

Dear Sir
Your ever Sincere
James Scanlan

Our Friend Mr Eaton intends visiting our beloved Country this latter end of this Month - it will be a fine opportunity to write by him to Belfast where he intends going ere his return - your Letter there can be of great service to him which I am certain will not be wanting I intend writing to John Martin with some Ales - the Copper is boiling - I must attend God bless you - Farewell
