found on my arrival Mr. T. was just in want of a person such as I am to take charge of his business. I am very agreably settled, & in consequence of that I have written for my Family to join me which I expect they will do in course of Two Months. I have now candidly stated to you my affairs, you will blame me I know, but I cannot now recall what is past, I pray the strictest attention to my Business, & I have not the smallest doubt now of yet making an independence for my Family, As I should wish much to shew your Letters to my Freinds here do not be severe on me; at this time. I expect in course of the Month of June to go on to Baltimore if so I will feel happy in staying a few days with you, Mr Ritchie expects his Brig the "Olive Branch" every day from Belfast I expect a file of the last six Mos Papers & I will take care to send them to some
