Dear Sir -

Mr. Rys 16th - March 1816

I left Belvoir a few Days since, to attend the sale of our Land near Liberty Town on Monday next - but since my arrival in this County, I find the price of Lands ~~is~~ very much depressed; and from the opinions of several of my Acquaintances, do not expect my Land will be sold on Monday — I have sold to Mr. Brice Worthington, the Belvoir Estate - to give him possession in May or June next - and about that time Mrs. Scott & my Family will remove to live in Mrs. Scott's House Annapolis - where I expect our residence will be fixed —

I left my Overseer very dangerously
