Dear Sir,

Baltimore June 17. 1816

I shall no opportunity of sending the Articles you write for, as your Messengers seldom wait an answer to your Letters — I shall make up 5 ⅞ of Lee & Lake Sugar for you, the former of which I am obliged to sell I Sam out of Lee, but expect to purchase at the Sale next week — Mr Kephard could only take one Bar. of Field — I have got a good deal of Barts & am preparing to print — Our Friend the Fannie of Fancy Town acted like many of the Brutes of this Country, by walking past the door, without thinking it worth while to call in — Any person who depends upon even the fulfillment of a positive engagement in this place will find himself grossly disappointed — Mrs G joins in best respects to Mrs B & Family —

Yours Truly

Wm Grinshaw

Dear Sir

Annapolis June 17th 1816.

I have received your favor of the 13th Inst.: & have to beg that you will excuse my not acknowledging the receipt of your former Letter, enclosing an order on the Mrd. Town Bank — for the use of Mr. Scott, for the sum of $365 : 16 cents — before this — but in truth we have been in such a bustle & so much engaged in removing our Family from Belvoir, to this place & Talley's Point — that I have left undone many things I thought to have done —

I have presented the order & received the Money — & have placed the sum of $15 : 16. towards the next payment
