Dear Sir, Tanny Town 2 Nov 1816

Fanny & I arrived here to day in the Stage, the Mare got a hurt on one of her Thighs, on which Account I did not wish to ride her, she will come with the Waggon which will leave York on Tuesday Morning unless the Weather should prevent. — Fanny comes for the purpose of getting the House put into Order previous to her Mother coming which will be next Saturday she has a Letter last Week from her Aunt Crawford, she says Jas McAdam
