Mr. Minnie York 6 Nov. 1846

Dear Sir

While at your House Andrew had all matters nearly fixed to go to Fredrick. and on my return home departed to take the Plane. I must say not with my Consent. however that being now the case, may kind Providence send him his health It has given me great trouble. I wished greatly his remaining here this Winter. but all to no purpose. Nancy had made up her mind on this Move.

The Stars & Cord came safe. I fear the latter not in Calf. at least so far off. That I am advised by all my Friends to kill her. J. Miller says by all means to do so. indeed it
