Dear Sir

Baltimore, Nov 12 1846

State the Object of annexing your a/c. the amount of which you will oblige me by remitting, as money is very valuable here, & Business exceedingly dull at present; in fact there has been, now is not any prospect of a Free trade — I have Letters from Dublin to the 21 August, which speak very unfavourably of the Situation of things in Ireland — Times were as low as at any period during the last 30 years — How is D. & Country papers — We have been expecting the pleasure of seeing you here for some time — Mrs G. joins me in best Respects to Mrs Bonnie & Family

I Remain Dear Sir

Yours Sincerely

Wm Grimshaw
