Dear Sir

Baltimore 28 Feby 1847

We rec.d your letter of the 26th inst and notice your observations respecting the plaster. Although our impressions as regards the conversation which passed on the subject remain unaltered, yet as you seem to be positive you intended to make a contract and as our M. C. cannot fully rely on his memory as to all that was said on the subject, we have concluded to let you have the qty of plaster you mention, say from Eight to ten tons at Nine dollars p ton in which is to be included the One ton you got when you were here the three tons since — Annexed you have a Bill of Eight Bbls Rye Flour delivered your Wagoner to day the proceeds of which is entered to your credit on your obt
