Dear Sir

Baltimore April 28. 1817

I by leave to refer you to mine of the 5 March, stating your account Acct & B — which, as Worthy has made no mention of to me, I presume must have been overlooked — I do assure you I have urgent occasion for it, or should not put you to the expence of Postage —

Miss S. left this on Saturday morning in good health, for Anapolis, & the other young Ladies are well — Mrs G joins in best respects to Mrs B & Family

I Remain Dear Sir

Yours Sincerely

Thos Grimshaw

P.S. With respect to the Lottery Tickets, I can either return them to you; or settle when the drawing is concluded, agreable to the custom of this City —
