Dear Sir

Andrew sent a young man to me yesterday who I hope will answer and the moment the Corks arrive from Philadelphia will set to Bottling & put them into Pay - Porter Hobbs & Main brought me 5 Whole & 2 Half Bbls

On Wednesday I made my last Brewing and now have a decent Stock on Hand for this Summers Campaign when do you think I shall have the pleasure of seeing you - as for your Cousin I must give up the question - as I cannot be left a bridegroom - the hope time of the girls will come here with Matilda - being so hurried I must Conclude & am Dear Sir Your ever Sincere
