Dear Sir

Your kind Letter of 24th Ult. I have now before me. I received the Iron bound Barrel Mr Shook took 10 Doz & half of Porter and returned 10 Doz Empty Bottles so that he is still in debt half a Doz. I particularly instructed Potter not to Entrust to Mr Shook 2 Doz of the Porter for you, which he said Mr Shook would give, but as he paid for the whole of it I suppose you have not got any-however the first time the Wagon returns you shall not be forgot. I hope the like the Porter. I get $1.75 ℔ Doz in Hanover & Litter Town, and yet Mr Shook would give no more which put me to 2 Days more expence besides the risk of breakage going and Coming. I get $2 in Carlisle which is only 30 Miles off and better Road. sound him before he wants again and do what you can for me. for if a better Field opens
