I shall let him want before I take leave this to yourself, I sent a small load to Carlisle on Saturday to get home the Empty Bottles 72 Dozen that Count - I am very well Content with giving John $30 pr Month, but I fear it will not satisfie him and as to his honesty, there is no one can impeach him of any thing else - he regularly brings home the Cash & accounts with me to the last Farthing - The Manilla Note is good and shall be placed to your Credit - I was much disapointed in getting my Coffee from Philadelphia in time - and wrote to John Thomson to get them sent from Baltimore by the Stage - a small supply, yet from what cause I cannot tell he never Announced me nor paid the least Notice to any Letters - altho in Baltimore - had it not been for my good friend Robinson who was in Philadelphia I would be hard dealt - however I am doing well and since I commenced to the present Day have sold 249 Dozen of Porter -

I am extremely sorry to inform you that Burns & Co. have failed - and that my Friends Robinson & Schivers Other will suffer - they have Endorsed to the Amount of $20.000 Mr. Woodyear 7.000 Mr. Smith 2.000 Paul Uffs and Son $11.000 in short I cannot tell you how many will suffer and I find by the News of this Day 2nd Prime Byrne is deranged - McCarthy at the York Haven Mills. signed all over to the Creditors of this Concern so that I am in great hopes they wont suffer as much as others - It will be attended with much trouble, turn out as it may - Friday this Day called on me Mr. Robinson who says he cannot sell the Tickets, and will return them if you wish it - I fear Porter Cattaneo will suffer to the Amt. of $2.300 being Money received from the sale of the late Mr. Bernie House and given to Burns & Co. let me know how Worthy comes on - may he be as eminent in his Profession as Curran or Philips - I and Sally Connor in love to Mrs Bernie & the Ladies - but what is Matilda about - is she not coming home and let Hester come with her I remain
