My dear Sir

Matilda is safe arrived in good order you have not fed her enough Nuts. she desires me to inform Cousin Hester she will write next week. we are all much disappointed at not seeing some of your beloved Family – you will please inform Mr Schuck that sooner than give up so good a Customer, should I even loose by the Trip, he shall be regularly supplied with such Porter as the Last. which I hope pleased him – and if he will have the goodness to write some time before he wants it will oblige me – as the demands from all quarters are very great – I sent a small Load Porter to Hanover on Tuesday. I have a number of most excellent Customers there who all pay $1.75 – and when you take in breakage going and Coming with Expences it is little enough – When will I have the pleasure of seeing you –
