Mr. O. D. Gilbert is having his residence on east main street repainted; Mr. S. K. Yingling, painter.

Three hundred and sixty-four tickets were sold at the Westminster Railroad ticket office, on Wednesday and Thursday, to visitors to the Hagerstown Fair.

The Fall opening of J. T. Orndorff's Sons, on Saturday last, was a thorough success and their stores were crowded with visitors. They made a handsome and attractive display and fully demonstrated the enterprising character of the firm.

Mrs. Theodora Dielman, wife of Prof. Louis Dielman, of New Windsor, died at her home in that place on Tuesday, in the 74th year of her age. Mrs. Dielman was widely known and greatly esteemed, and her death will cause unfeigned sorrow to many hearts.

Mrs. Catharine M. Waltz died at her home near Oak Orchard, on Tuesday morning, 8th inst., aged 62 years, 4 months, 29 days. Funeral services were held at Linganore Chapel on Thursday, 10th inst., her pastor, Rev. T. J. Cross, of New Windsor Circuit M. E. Church, officiating.

Mrs. Emma V. Stakup, daughter of Rev. Wm. H. Yingling, of this county, and sister of Mr. J. Wesley Yingling, of this city, died at her home in Toledo, Ohio, recently, aged about 28 years. She leaves a husband and one daughter, the latter being 18 months old. Her death was caused by gastric fever with which she suffered for three months.

Mr. John Stuller, the largest man in Carroll county, died on Tuesday morning, at his home, near Pleasant Valley, after a lingering illness, aged 59 years, 7 months, 8 days. It was commonly reported that Mr. Stuller weighed 500 pounds; but that was an exaggeration. His real weight was, when in health, 448 pounds. He stood 6 feet 1½ inches in height and measured 7 feet, 3 inches around the waist, and 4 feet, 8 inches around the chest. He leaves three sons and one daughter. His funeral will take place to-morrow morning at Pleasant Valley, and will be conducted by Elder Solomon Stoner, of Uniontown.

We stated last week that a meeting would be held Monday night, by the Mayor and Common Council, to further consider and take action upon the recommendation of Health Officer Billingslea and others, for the passage of an ordinance to prohibit the keeping of hogs within the corporate limits. The statement was erroneous, having been made upon a misunderstanding. The date was given us by a member of the council who says he informed us the subject would be taken up at the next "monhtly meeting." The last two words were understood by us to be "Monday evening." Hence the error.

On Tuesday evening, 22nd inst., the citizens of New Windsor and vicinity will be given an opportunity to witness Dickens' beautiful play of "The Cricket on the Hearth," which will be presented at Odd Fellows' Hall, in that place, by a company of ladies and gentlemen from Westminster, on the date mentioned. Most of those who will appear in the play took part in its presentation at Odd Fellows' Hall, this city, several weeks ago, are thoroughly in sympathy with the beautiful story it tells, and will render it in an effective manner. It will be preceded by the two act comedy, "A Box of Momkeys." We hope the performers will be greeted by a full house.

The seventy-sixth annual meeting of the Lutheran Synod of Maryland was held in Grace Church, Broadway, Baltimore, from Thursday of last week till Monday of this. Rev. O. C. Roth, pastor of Grace Church, formerly of Taneytown, was elected president for the ensuing year. The retiring president, Rev. E. H. Delk, of Hagerstown, preached the synodical sermon, and made some important suggestions for the future consideration of the Church. The Church within the bounds of the synod has made remarkable progress during the last two years. The next meeting of the synod will be held in St. Paul's Church, Cumberland, on the Thursday next after the first Sunday in October, 1896.

At a meeting held on Tuesday evening the Westminster Band, one of the finest musical organizations in the State, was reorganized under the name of the Carroll County Band of Westminster. Thirty members were present at the meeting and the following officers were elected: President, Theodore S. Mitten: Vice-President, Wm. Townsend; Secretary, Granville S. Lippy; Corresponding Secretary, C. P. Snyder; Treasurer, George F. Morelock; Leader, A. Bailey Morelock. The full band will number thirty-five members and they will be equipped with the new instruments recently purchased, which cannot be surpassed. The band is now practicing with these instruments and will use them in public about the last of November, when they will give the people a demonstration of their quality on the streets of this city.

Mrs. Catharine Sailer, widow of Andrew Sailer, died at her home, near Smallwood, on Tuesday morning, aged 68 years, 9 months, 23 days. Both Mrs. Sailer and her husband were natives of Germany and came to America and settled in Carroll county about 50 years ago. Three children, all residents of this county, survive her. She was a member of the United Brethren Church. Funeral services were held at Deer Park M. P. Chapel on Thursday, Rev. S. W. Coe, of Finksburg, officiating.

Samuel Houck, aged seventy-five years, was found dead in his room on the third floor of the Pennsylvania House, No. 515 West Franklin street, Baltimore, Wednesday morning. He had been a boarder at the house for twelve years, and was formerly a stair-builder, but had been unemployed recently. Gas was found turned on, and the impression is that Mr. Houck turned off the gas and accidently turned it on again. Deceased was, it is said, a native of the eastern section of this county. A sister of his is now residing in Hampstead. He was a member of the Masons, Red Men and Odd Fellows.

Capt. Thornton Wright, for many years the popular conductor of the Union Bridge Accommodation train on the Western Maryland Railroad, will, on the first of the coming month, be transferred to the fast mail train between Baltimore and Hagerstown, of which he will thereafter have charge. The change will be greatly regretted by the many friends whom he has made among the passengers on his train, who will miss his genial face and courteous and kindly manner. Capt. Wright will move his family to Baltimore next week, and will take a short vacation, visiting New York, and other points, before entering upon his new duties.

The C. E. Union Convention.

The ninth semi-annual convention of the Carroll County Christian Endeavor Union met at the Methodist Protestant Church, this city, at 9 o'clock, Thursday Morning, and will not complete its sessions until after the SENTINEL shall have been printed and mailed to subscribers. A preparatory meeting was held at Grace Lutheran Church on Thursday evening, at which the topic, "Fitness for Service," was discussed by Rev. Charles A. Oliver, of York, Pa.; Rev. M. L. Beard, of Middletown, and Revs. A. D. Melvin and P. H. Miller, of this city.

The opening exercises of the convention, on Thursday morning, were conducted by Mr. George H. Birnie, of Taneytown, president of the Union. At 10 o'clock, an address of welcome was delivered by Mr. E. O. Grimes, Jr., of this city, and responded to by President Birnie, of Taneytown.

After singing and prayer, the convention sermon, on the topic, "Pledged Service," was delivered by Rev. W. H. Dunbar, D. D., of St. Mark's Lutheran Church, Baltimore, and Rev. Chas. A. Oliver delivered an address on "Personal Work for Souls." After adjournment noon prayer meetings were held at a number of places in the city, and at the Alms House.

The afternoon session began at 2 o'clock, with a prayer and praise service. Mr. Birnie, the president, delivered his address on "Christian Endeavor," and the secretary and treasurer's report was made by Miss Ida M. Diffenbaugh. Short reports were then made from the societies, Rev. P. H. Miller leading.

The mission banner was won by the Society connected with the Presbyterian Church, of Taneytown, the Society of the Lutheran Church of the same place and the M. P. Jr. society of Westminster receiving honorable mention as being next on the list in the amount of its contributions, per member, to the cause of missions. The trophy is a beautiful white satin banner, beautifully embroidered in gold by Miss Rosa Reese, of this city. It was presented to the society which won it, by Rev. S. W. Coe, of Finksburg, in an appropriate address, Mr. B. O. Slonaker, of the society, responding.

After the adjournment a Christian Endeavor prayer meeting was held at the chapel of Western Maryland College, at 4.45 o'clock.

The evening session commenced with an executive committee meeting at 6.30 o'clock, followed by a prayer and praise service; reports from leaders of noon prayer meetings; an open parliament, "How to conduct a C. E. prayer meeting," led by Rev. P. Rioseco, of Taneytown. Those named in the program to discuss the several topics in the parliament, were: Miss Florence Weaver, Mr. Edgar B. Miller, Misses Jennie Hering, Agnes Dielman, Anna Motter, Mrs. Ruth Little, Mr. George Mather, Miss Mollie Tagg. Miss Motter was not present and her place was taken by Miss Birnie. A temperance address was delivered by Rev. F. T. Tagg, of Baltimore.

On Friday morning a sunrise prayer meeting was held at 6.30 o'clock, led by Rev. R. L. Patterson, of Union Bridge; topic, "Watching and Working."

Twenty-eight societies are represented in the convention by regularly accredited delegates and many other members are in attendance wearing the colors of the society.

Another Opportunity to Register.

It has been decided that persons having the necessary qualifications for registration, who shall apply to the registrars at their sitting on Monday next, 21st inst., must be registered. State's Attorney Fink has instructed the registrars of this county to that effect. A few Republicans in this county are yet unregistered. They have another opportunity to have their names placed upon the lists and should do so without fail. In the great battle of the people against the bosses and boss domination, the ballot of every man who would be free himself and help others also to freedom from the intolerable tyranny of Gormanism, is needed. Don't fail to register or to vote.

If any voter, who has been notified that his name is to be stricken off, is entitled to vote in some other district in the county than that in which he has heretofore been registered, he can obtain a transfer on Monday and save his vote. No vote in favor of the rule of the people should be lost in this contest. See to it that the name of every man entitled to vote is on the lists and that he votes on the 5th day of November.

In the present political crisis in Maryland every voter opposed to bossism should make his ballot count by casting it for the Republican candidates.

Lowndes Republican Club.

The first regular meeting of the Lowndes Republican club of this city, since its organization last week, was held at Odd Fellows' Hall on Monday night and was a spirited affair. The hall was filled with an audience most of whom exhibited the greatest interest and enthusiasm. Some Democrats were present and gave respectful attention to the proceedings and speeches. Mr. Charles C. Gorsuch presided in a most admirable manner, and Mr. James H. Cassell occupied the secretary's chair. The only business transacted was the report of the committee appointed to nominate permanent officers of the club, which was made by Mr. George E. Sharrer and was unanimously adopted by the club, that action electing Mr. Chas. C. Gorsuch permanent president; Mayor Milton Schaeffer, vice-president; Mr. James H. Cassell, secretary, and Mr. M. Schneeberger, treasurer.

Dr. J. J. Weaver, Jr., the Republican candidate for State Senator, was then introduced by the president and made a forcible and effective speech, in which he reviewed with great clearness the conditions of the campaign and made it manifest that the interests of the people of the State of Maryland demand a change in its political control, as only by the Republican party, backed by the Independent Democrats, can the bosses, who have so long dominated the State government and denied the rights of the people, be overthrown and a fair assessment, free books in the public schools, and honest elections, be assured. The editor of the SENTINEL also addressed the meeting. Both speakers were frequently applauded.

The next regular meeting of the club will be held in the same place on Monday evening, at half-past seven o'clock. All citizens, irrespective of party, are cordially invited to be present. Congressman Wm. B. Baker will make the principal speech of the occasion, and Arthur F. Smith, Esq., the Republican candidate for State's Attorney, Ex-Mayor, Joseph D. Brooks and other good speakers will be present and address the people. Campaign songs by a quartet will be an entertaining feature of the meeting. Let all who can do so attend.

Mr. and Mrs. Frank W. Mitten, of Gettysburg, Pa., have been visiting relatives in this city.

Mr. Frank Z. Miller and bride, of this city, have returned from their bridal trip.

Mr. Samuel Swope Taylor, son of Mr. and Mrs. J. H. Taylor, of this city, has accepted a position with the widely known firm of Lord & Taylor, of New York City.

Mrs. S. C. Stoner, of this city, is visiting relatives and friends in Baltimore.

Caple-Lockard.

A prettier wedding is seldom seen than that of Mr. George H. Caple, of Eastview, and Miss Amy Gertrude Lockard, of this city, which took place at the Methodist Protestant Church, at 2 o'clock Tuesday afternoon, 15th inst. The church was made very attractive by fine and tasteful floral decorations and the many persons who thronged the sacred edifice were interested spectators of the happy event. The groom is a popular and worthy young teacher, and the bride, who is the only daughter of Mr. James W. Lockard, a well known business man of this city, has many friends. Her maid of honor was Miss Margaret C. Caple, of Baltimore, a niece of the groom. The ushers were: Prof. Wm. F. Galloway, of Johns Hopkins University, Baltimore; Messrs. Edward Caple, brother of the groom, of Eastview; Mr. Carroll N. Lockard, brother of the bride, of Westminster, and Mr. Edward G. Hoff, of Sandyville. The maid of honor wore a gown of white organdie with trimmings of satin ribbons and duchess lace and carried La France roses. The bride's gown was white silk with trimmings of ribbon and lace and she wore gloves and slippers to match and carried bride's roses. The bridal party approached the altar as the wedding march in Lohengrin was beautifully rendered by the accomplished church organist, Miss Anna E. Shriver, and the marriage ceremony was impressively performed by the pastor, Rev. A. D. Melvin. Then the joyous strains of Mendelssohn's march swelled from the organ and filled the sacred edifice with thrilling music as the happy bridal pair turned from the altar and retired amid heartfelt wishes of the numerous throng for their prosperity and happiness. A numerously attended wedding reception was held at the home of the bride's parents from half-after two till five o'clock, and shortly after six o'clock Mr. and Mrs. Caple left by the Western Maryland Railroad, on their bridal trip to Baltimore, Washington and Philadelphia.

College Notes.

The foot-ball team was organized last month, but so many of the players were prevented by their parents from playing, that the organization had to disband. Manager Bosley had scheduled a number of games with leading colleges of this and other states, but was compelled to cancel them.

Miss Anna Forrest, formerly a missionary of the M. P. Church to Japan, addressed the college Y. M. C. A. last Friday evening. Afterwards, the Association gave a reception to the female students and the members of the faculty, at which refreshments were served.

President Lewis is absent on a visit to the New Jersey Conference of the M. P. Church.

A new drive is being made from the old entrance, back of the president's house, to the gymnasium.

Prof. Brush, the new director of the Gym., has made a good imprssion. He is a pupil of Dr. Anderson, of Yale, and last summer had charge of the gymnastics at one of the Northern Chautauquas.

The boarding department is taxed to nearly its utmost capacity. Still they keep coming in.

A tennis tournament is in progress on the Geiman athletic field. The result will be announced next week.

The college library has been much improved during the summer. Shelves of elegant workmanship and design extend down one whole side of the room. Several hundred volumes have been added, and, under the direction of Prof. G. W. Ward, the work accomplished this year is going to be of a high order.

If you want deliverance from the tyranny of Gorman and Rasin, vote the full Republican ticket.

A Freedom District Wedding.

SHIPLEY—DORSEY.

Wednesday evening, October 16th, 1895, with its bracing air and shining stars, will ever be remembered by two of our young people as the most perfect of their lives. It was on this occasion that Miss S. Elsie Dorsey and Mr. H. Marriott Shipley were married. The bride is the daughter of Mr. Jonathan Dorsey, one of our well-known citizens. The groom is the son of Dr. H. Clay Shipley, of Eldersburg. Freedom M. E. Church South was the scene of the ceremony and with its decorations of potted plants and clustering ferns never presented a more attractive appearance. The bride and groom being popular and well known, the whole neighborhood turned out en masse, and the ushers, Messrs. J. Bernard George, John Dorsey, Harry Devries and Pearce C. Prough, after filling the church to its utmost capacity, were compelled to refuse admission to a large overflow. Promptly at 7 o'clock the strains of Mendelssohn's wedding march filled the air and the bride, dressed most becomingly in a gown of novelty cloth and carrying a large bunch of La France roses, came up the aisle on her father's arm. She was met at the altar by the groom and they were then joined in holy matrimony by the Rev. Wm. McDonald. After the ceremony Mr. and Mrs. Shipley went to their home in Eldersburg. They were the recipients of many presents. A few of the many present were: Mr. and Mrs. J. M. Dorsey, Mrs. James George, Misses Annie George, Lila George, Mr. and Mrs. Joseph W. Berret, the Misses Berret, Misses Lou Stocksdale, Ellen Dorsey, Miss Slack, Mrs. Wm. D. Slack, Dr. and Mrs. H. Clay Shipley, Mr. and Mrs. Geo. The Hog-pen Question Again.

The subject of the removal of the hog-pens from the corporate limits of this city is exciting considerable discussion and the project is meeting with decided opposition, but, as far as we know, without extreme acerbity of feeling, although some irritation is manifest. The matter is important and should be decided by the Mayor and Council upon its merits. If, as is claimed by those who advocate its prohibition, the keeping of hogs in this city is a menace to the health of the people, the city authorities should do their duty in the premises without favor or partiality. The opinion of the health officer on the subject is entitled to great weight, but if not conclusive, in the minds of the Mayor and Council, let them investigate the matter further and thoroughly and act accordingly. The columns of the SENTINEL are open to any citizen who may desire to express his views to the public on the subject, pro or con, in a proper manner.

In connection with the subject an address of Dr. J. H. Billingslea, health officer of this county, which reached us after the above was in type, is particularly apropos. As an officer charged with the duty of guarding and protecting the health of the people, he has given the matter careful investigation and does not speak at random when he tells the public, in substance at least, that hog-pens are provoking causes of typhoid fever and diphtheria. If there is a contrary medical opinion in this town let it be made known.

To the Citizens of Westminster.

The position of County Health Officer is probably not well understood. His duties, *under the law*, require him to take notice of and abate anything that may in any way affect the public health. He has no discretion in the matter. His duty to enforce the law is imperative.

The hog pens of Westminster, in many instances, were most foul the past summer, and some persons were almost driven from their houses on account of suffocating smells. Some have had to leave their porches, go indoors and close the windows during the hottest weather. I have been almost deluged with complaints and have taken action. Persons notified have put their pens in as good condition as possible, but the improvement in all cases was but of short duration. The fact is hog pens cannot be kept in towns as closely and solidly built as Westminster so as not to threaten the public health—to make diphtheria and typhoid from them an absolute surety. And my experience the past summer shows that nothing short of their entire abolition will abate the nuisance so much complained of.

I fully appreciate all that those who want to keep hogs say upon the subject, as to utilizing offal, &c., but the arguments are not tenable as to economy, and even if they were, the health of the community is far above counting in dollars and cents, particularly the small amount that can be possibly saved by those who desire to raise their own pork in the city. I therefore ask all citizens to urge the Mayor and Council at their next meeting to pass an ordinance prohibiting the keeping of hogs in the corporate limits, after January 1, 1896, so that the boast of Westminster can be that it is not only the prettiest little city in the State but the healthiest. If the Mayor and Council fail to act, I now give notice that I will enforce the health law to its full extremity thereafter against all offenders. My duty under the law will require it, and if hardships ensue the people who oppose corporate action will have only themselves to censure.

J. H. BILLINGSLEA, M. D.

A general sympathy from this community has gone out to Mr. Thomas Kuhn and family, three miles north from here, in the loss of their 11-year-old daughter, who died after a few days sickness. She was a bright, merry child, whose cheerfulness won the esteem of all who came in contact with her. On Friday morning she left home in company with her brothers and sisters for the Cross Road school, taught by Mr. Yingling, in the best of spirits and health. At recess, she went to the woods with the scholars, where they were chewing the leaves of the mountain tea; but unfortunately for her, she mistook either laurel or sumac leaves for the tea, and always having a fondness for chewing leaves and twigs, she made use of such a quantity that by noon she could not eat any dinner, and by the middle of the afternoon commenced to vomit. She was taken home and domestic remedies given, but growing worse Dr. T. H. Preston was called at midnight and found that poison had so fastened upon the system that the most skillful treatment could not arrest its effects. At 2 A. M. on Monday morning death ended her sufferings. Her remains were laid away to rest on Wednesday morning in a family lot here, Rev. S. M. Roeder officiating.

Mr. Ed. Yingling was considerably cut and bruised on the face, hands and feet by a runaway on Thursday of last week. He was on his way to Lucabaugh's mill to make cider, when the horses became frightened and dashed away at frightful speed. The barrels in the wagon were overturned and knocked about in lively fashion, causing the injuries stated. The team was stopped by Mr. Wm. Ebaugh. The horses were severely bruised and the wagon somewhat damaged.

The erection of the new pipe organ which has been placed in Grace Reformed Church was completed during the past week by Mr. J. W. Staub and is now ready for the dedication, which will take place Sunday morning, October 20th, at 10 A. M. Rev. Dr. C. Clever, of Baltimore, will preach the dedicatory sermon. The organ is very handsome and will add much to the beauty of the Church.

On last Friday evening, at seven o'clock, the citizens of this place were once more aroused by the alarm of fire and great excitement prevailed for a time, and curiosity as to the location of the fire. It was soon ascertained to be the large barn of Mr. Samuel Reindollar, at the end of Hanover street. The fire was first discovered at the end of a large straw stack which was built against the barn, by Mr. James Rodgers, Jr., who was coming to town, and when he first saw it it was not any larger than a half bushel; but as everything was very dry the flames spread very rapidly. Before he reached the spot he saw a person running from the stack very rapidly. The barn was soon consumed and the fire also spread to the grain shed, wagon shed and buggy house, which were all destroyed. The barn only contained about 100 bushels of rye, wheat, and clover seed, with the full crop of hay and straw. The buildings were insured in the North American Insurance Company for eleven hundred and fifty dollars, which does not begin to cover the loss. Strong suspicions as to who is the party who started the fire are entertained, and he will be watched very closely hereafter, as quite a lot of damage has been done heretofore, in the way of taking off gates, breaking pump handles, etc., which has been going on for some time. No doubt if such actions are carried on much longer, means will be provided to put a stop to them.

Carrollton Items.

The inclement weather of last Saturday prevented the Christian Endeavor Society from holding their picnic, but at one o'clock the Bethel bell rang, and a number met at the church, and a meeting was held. Charles Taylor was elected chairman, and the meeting was opened with prayer by Rev. S. W. Coe, of Finksburg. Singing was then had by the Pleasant Valley choir, after which Mr. B. Frank Crouse delivered a very forcible and interesting address, on Christian Endeavor work, setting forth its working and the good done by the society. Singing by the Pleasant Valley choir was followed by addresses on the same topic by Rev. S. W. Coe, of Finksburg; Mr. Jacob Jawyer, president of the Pleasant Valley Society, and Mr. John Utermahlen, of the same place. The Pleasant Valley society was present by invitation, and was represented as follows: Pleasant Valley choir, consisting of the leader, Doctor Brown; Mrs. Annie Senft, soprano; Mrs. Nelson Bankard, alto; Miss Lizzie Myers, Miss Bertie Bowers, Mr. Edward Zepp, clarionet; Mr. Robert Bankert, violin; Miss Dellie Powell, Messrs. Mayberry Items.

For some reason a communication, covering items from Mayberry, reached us last week too late for publication then. Among the items were the following:

The cool weather has reminded the farmers that corn-husking is in order and that work has been commenced.

If our village makes as much progress each future year as it has done during 1895, we shall be well satisfied. We first suggested telephonic connection with Westminster and Taneytown, and now we have it with the whole county. Washington Camp No. 10, P. O. S. of A., has been organized during the year and now has a membership of between thirty and forty, with applications for admission at almost every meeting.

An earlier account of the picnic and procession of the order here, on September 21st, has been prevented by the delay in reporting some of the bills. The day was very hot, but a large crowd witnessed the procession, which moved promptly at 10 o'clock, A. M. It was headed by the Taneytown Band, and included the home camp and delegations from other camps. The line of march was to the grove of Mr. Jacob Marker, where addresses were delivered by Mr. H. K. N. Patterson, of Philadelphia, and Dr. L. Kemp, of Uniontown. The proceeds amounted to $30, including $3 80 collected by the ladies for the purchase of a large Bible. The order returns thanks to the ladies for their kindness and generosity in supplying about forty elegant cakes for the occasion, and also to the public for their liberal patronage.

The large bridge in course of construction over Pipe Creek, near Weist's mill, is approaching completion, under the supervision of Mr. Samuel E. Keefer. It is, perhaps, the longest bridge in the county, being 163 feet. It has been greatly needed for a long time, the fording at the crossing being very deep and dangerous. The bridge will be a great convenience to the public.

Rev. Mr. Kipe preached his first sermon here last Saturday evening, and will become the pastor in a short time. Rev. Mr. Englar will preach his farewell sermon on Sunday evening, 20th inst.

We are indebted to Mr. William B. Thomas, of this city, who, with Mrs. Thomas and their son Frank, has been attending the great Southern Exposition at Atlanta, Ga., for copies of the newspapers of that city.

We would like to look into the pleasant face of some one who has never had any derangement of the digestive organs. We see the drawn and unhappy faces of dyspeptics in every walk of life. It is our national disease, and nearly all complaints spring from this source. Remove the stomach difficulty and the work is done.

Dyspeptics and pale thin people are literally starving, because they don't digest their food. Consumption never develops in people of robust and normal digestion. Correct the wasting and loss of flesh and we cure the disease. Do this with food.

The Shaker Digestive Cordial contains already digested food and is a digester of food at the same time. Its effects are felt at once. Get a pamphlet of your druggist and learn about it.

LAXOL is Castor Oil made as sweet as honey by a new process. Children like it.

BUSINESS LOCALS.

Mr. Howard Stewart, evangelist, is advertised to lecture next Sunday afternoon, in Odd Fellows' Hall, at 3.30 o'clock. Mr. Stewart says he does not antagonize the churches in any way nor is he sent to establish a new sect, but to speak on a subject that ought to be of joyful interest to all people. Much misaprehension seems to exist in the minds of many as to the purpose of our Lord in coming again to this earth. An effort will be made to clear up difficulties by showing what the Scriptures teach on this subject. Admission free. All are cordially invited.

GEN. HARRISON'S LITERARY WORK.

To Write articles for Women, on "This Country of ours."

It is announced that ex-President Benjamin Harrison is engaged in writing a series of magazine articles for *The Ladies' Home Journal*, in which periodical they will begin in the December number. The series will be called "This Country of Ours," and will consist of ten articles and probably more. The papers are being written by General Harrison especially for women, to meet a growing, widespread desire on their part to intelligently understand the workings of our Government and the great National questions. It will be the aim of the articles to explain in the clear and concise style for which the ex-President is famous, just what the United States Government means; the origin and meaning of the Constitution; how laws are enacted and enforced; what the powers of the President and other officials are; what the judiciary system means; how our foreign relations are brought about and their meaning; how Congress and the Senate legislate,—in fact, a complete explanation of the Government told in a popular way. General Harrison writes the articles from the standpoint of a citizen who understands his subject. They have no bearing on politics whatever. While directly intended for women, the articles will naturally have a much broader scope and likewise interest men, and especially young men.

"Exposition Flyer" to Atlanta via Pennsylvania Railroad.—The Pennsylvania Railroad Company will, on and after Sunday, October 6th, place in service the "Exposition Flyer" between New York and Atlanta via Washington and the Southern Railway. The train will be composed of through Pullman sleeping cars between New York and Atlanta, passenger coaches between New York and Washington, and Pullman sleeping cars and vestibule coaches between Washington and Atlanta. The through sleeping car will be run on trains Nos. 51 and 35 between New York and Washington.
