if the are to be planted this season
I find the weather very warm to travel
but I can make a little money by it
which I am convinced you will not be
sorry to hear, I have not had as yet an
opportunity to send william out to go a fishing
with Master Royors but will as soon as I can
according to promise, please Number one
to Mrs Binnie & all the family

And believe my Dear Sir
Yours affectionately
James Colville
