The demand for Porter wrecked Cred. I am doing my thing in my power, to make Sales but must say it went slow. I sent 20 Doz of Excellent Porter to Columbia a few Days ago 18 Doz of it returned. all the Same went 4 Miles down the Shore. and offered it at any price they say there is no demand for the like. Spirituous Liquors appears the rage.

I have advertised the Plane for Sale on 5th Sept. next. I wish it may sell well and my cred. be paid what is due them

Anne & Mathilda desires their love with mine to Mrs Bonnin & [illegible] write to me by next Post.

If you see Mr Schrot with any of my other Customers I wish you w. speak to them. and let me know when they want Porter
