Dear Sir

I am just favored with yours of 29th
Sally will see about the Chairs in the morning
also the Carpeting as I am going off early to
Leesburg in Virginia, I am afraid chairs
will not be got to answer your expectations
here, as I expect they are at least 25 p Cent
higher here than in B. more, very common
ones cost 137½ cents by the dozen — & they are
seldom finished, being kept ready to finish
in whatever way is most agreeable to the
Purchasers — but Sally & Fanny can see in
the morning & can inform you —

I remain
Dear Sir
Yours truly

Dear Sir

Lost no time in calling on the
Plough maker, who promised to have your
order completed on Tuesday last. I have just
returned from his place, but nothing, I believe,
has yet been done for you — he says it will be
ready next week — Mr Bruff has made no
progress — Only one person called on him; who
wished to see a plum — A cow and calf, I
am informed, will bring from 25 to 35 Dollars —
Springers not so much — I heard from Ireland
up to the 29th June — Crops looked well — Mrs G
& Charlotte join in affectionate regard to all
the Family —

Yours Sincerely, in haste

Mary Gunnison
