Dear Sir

I was favored with yours of Saturday — It gives me much trouble it is not in my power to send you the Amount due — I am so fortunate to get the flour sold I shall pay you with thanks —

In respect to Andrews being here I know not any good it will answer I have written to Capt. Leonard and requested of him to attend the Sale, as the appearance of a Baltimore Brewer might appear on the Germans — but this must be kept a Secret. I wish he may come — I have sent Owen with a load of Rotten, and wish him success — the demand here any Day grows worse

Dear Sir Annapolis Aug. 24th 1818.

The situation of our Family establishment here, makes it necessary for me to call on you for the semiannual payment due Mrs. Scott on this Day; and also for the balance due on the former Day of payment — a Check on either, the Branch Bank at Frederick Town, or this Bank here, would be convenient to me, but any mode agreeable to yourself, will be acceptable — I declare to you that our calls for Money here, are so frequent, we cannot support our Family in the way Mrs. Scott has been accustomed to live, unless Mrs. Scott's claim on Mr. Reid & yourself
