I understand from all quarters the sale of Potos has this year that to attribute it to cannot tell - we are all in good health - I must not disspend that Kind Providence who has never forsook me. I hope will befriend me now -

With love to Mrs Birnie and all the Family - I remain

Dear Sir
Your truly
Jas. Scanlan

York 24 Aug. 1818

I have no doubt in my mind of paying the Money you sent me to Robinson & Schuer I can remember my leaving the Horse for that purpose but to which of them I gave it cannot tell - I have given Yours Letters to both to Consider the matter and am of opinion they will allow I have paid it - I now recollect the Day you bought the Knives & Forks. your saying you w. send the Money down in a few Days to pay for them & the Clover Seed - the Money I paid one of them as sure as the Sun is in the Firmament - J Scanlan

Rose was here at that time, ask her if she heard may say any thing about it - or to whom I paid the Money

York 24 August 1818

I open this to say if you can with convenience come here on Saturday first, and stay till after Tuesday, I shall be happy to see you - or any time before Tuesday next

J Scanlan

is punctually paid -

I hope your Crop of Wheat has turned out better than was expected; and that your Crop of Corn is good. the Corn in this Country never looked better - Mrs. Scott & Mrs. Maynadier join in respect to yourself & Family -

Yours very respectfully
