Mr Robert Lyles
Certificate

If the payment required, he will require 12 Months on part of the Money Mr Bayley will be security for any part not paid; least Charles might not have described the Family you might do it in the Letter, this would be a desirable place for Charles, much superior to the other even supposing he had no Intention of sending him to the Southward, Every person I spoke to thought it very probable he might go there if bought by Lyles — I had a Letter from James to day, he mentions having wrote to several Friends to endeavour to procure a Situation for him, but does not mention any particulars as to what has been done — I have called upon the Carpet Man, the Yarn is now ready for dyeing & the Carpet will be ready in 2 a 3 Weeks, as he cannot make the whole Length in one piece, it may prevent some Waste your informing him the Length of your Room, that is the length that each breadth may be cut, he could then just make the second piece 2 a 3 Lengths as necessary — Whatever you have to say I can communicate to Mr Fleming. — With kind Love to all the Family

I remain Dear [redacted]

Yours Sincerely

Andw Thomson
