Baltimore May 3d – 1819

Dear Sir

From not hearing in answer to my letter which must have crossd yours in the road, (having received your favor two days after mine was dispatchd) I recapitulate the contents –

Mr Stewart has quitted this city for Philadelphia – where he intends to reside in future I have purchased his stock of Pianos, and will be his agent in this place – the Pianos I have are a grand horizontal – price $800
a 3d strung upright – 700
a 2d do do Commode do – 600
a Six octave square, ornamented do – 375
a do – 18 months in use – better than new, which you saw here (cost 450) 350
and the 2d hand piano I offerd to you – 190

I forget if these were the prices I wrote to you – as I ~~have enhanced the~~ had at the time of sale offerd them at a small advance – but now as I mean to keep up a supply and act as agent – I have fixd the regular trade price – and which compared to imported pianos – and those of German manufacture here – and in short with all others that I have seen – I consider them cheap –

As I have several negociators for the
