principally by Chartering Ships for
Passengers to go out to Labam
through your Woods it is really
astonishing the people who go out
from this port to all parts of
the United States. a Ship of 300
Tons Came in here yesterday from
Savana in 21 days brought by Steam
this is the first that has ventured
a cross the Antalantick & Langley
has one same size now at B.
which he intends for a regular
Trader & Passenger Conveyance
from thence here I am told she
is very Elegantly fitted up for
Passengers John Wilson & Lady
Dined with me the other day
on there way to Bath and other
Watering Places for the Summer
the look very well he says his Father
is very well they have no Children
Wm Has Two. in the latter end of
May and beginning of this Month I
had a long Journey through this
Country part on Business & part
to See the Country I went from here
to Berning from there to Bristol
and Bath from Bath to Cheltenham
from there to London where I
Stopped nine days came Home by
York Hull and the North of England
a Journey of upwards of 300 Miles
and see on the out side of the Coach
I did not travel at night there
is no doubt it is a fine Country.
The crops of every kind are
look very abundant indeed
in the Neighbourhood of London a quat-
ter of Hay Cut 23 May and the grain
of every kind will be very early this
year and very abundant Crops I Stay
is here from Newyork I think he
drinks very much. James Whittle
is not doing any Business he is just
returned from the County Sligo where
he is going to live on a property he has
a Mortgage where on is a fine Flour Mill
he gets it for the Amt of the Mortgage which
he says is very Cheap I have much more
to inform you but will defer it for an
other opportunity cause the Shortness of this
Letter. may God bless you & your prays M. H. Steele
