It is a considerable time since I had the pleasure & I believe still longer since I heard from you — I have had several applications from Fancy Town for Porter Share at length sent them a small supply — I have been extremely anxious to hear the result of the Chesnut sowing, I cannot help thinking that may be productive of much Benefit yet, for I ~~cannot be of anything~~ they will certainly grow, as

Dear Sir

I had the pleasure of your letter of the 9th this morning. I observe what you say regarding the Musical Instruments, I also probably will be necessary for you to remit us the amt of the bill when due, for the reasons I mentioned to you.

If I meet with such a person as you describe, I will advise him to go to you, but among the many that offer it is to be feared. for will answer your description. We have had very heavy falls of rain which will do good to the Farmers, although it will not be long. We are all well yours Sincerely
