to South Carolina especially if Lincoln not a D°

Indeed! The condition of England & Ireland is bad, but how is it to be improved? The Fenians & the prowling with more zeal, & method, than heretofore, it may come to good, & amend their reputation &c.

Stan has left Letterkenny at home, America presents fair, & for some time to come will not afford much encouragement to Emigrants.

I am informed Henry Grimshaw who had arrived at Philadelphia was living at Steubenville. Thus had his name changed, was sent to the Hospital & died there.

This broken the dull & monotonous. Firmly let alone I have seen not more. We are all well & Mrs White thanks you for your kind invitation, but you are at too great a distance. Our Lives second Good lodging nearer home, we have not occupied them, & we will not have occasion. We are all perfectly well & desire to be remembered to Mr & Mrs Minnie & your family.

Yours truly

John Campbell White

Last a Fine Son about 4 years old a few Days since with a severe Bilious fever – I have heard that your Family have been indisposed. I hope as the weather becomes cooler they will recover their usual health. Mrs. Maynadier & Eliza join in friendly respects to Mrs. Minnie, yourself & Family with your Friend & Servt
