My dear Sir

I Rec^d your Letter of Pompey,
the Banks are all acting on the defensive, it
is impossible to get a Check on any of them;
knowing the Bank people here are a little drowsy
I wrote to Wharn myself, & suppose I will
have an Answer tomorrow or rather that Mr
Shaw will, as I desired him to write them
respecting it. Your Manufacturer I doubt
is a bad hand, there were several holes in
the piece sent here & which must have been
done in the manufacturing; I hope you
will be able to arrange it so as not to be
oblige to go to York. —

I remain
Dear Sir
Your Sincerely

My dear Sir

I rec^d your affectionate
Letter of Mr Conway. I do assure you
I had some trouble to get the Bruny to
Rent. which is now the Case at $100
P Year for 3 Years. without my laying
out one Dollar. You may say I laid
at the wrong end. to Rent without
knowing what the Needful was to
come for. that I leave to Kind Providence
who always has been my Friend. I
told Wm Huey. I wished much to see
you, & again repeat it, come here on
Saturday first. that I may see what
I can get done. with our Land in Land
