A CALENDAR.

When January freezes,
When February thaws,
When March blows up her breezes,
When April buds the haws,
When May sets blossoms blowing
When June shows leafy ways;
When July suns are glowing
And August lilies blaze,
When September finds the aster
For October's golden crown,
When November's leaves fall faster,
And December's trees are brown.

FOOTWEAR NEVERS.

Dr. Samuel Appleton, in Health Culture, gives fourteen of them, which every person will derive comfort in heeding:

1. Never wear a shoe that will not allow the great toe to lie in a straight line.

2. Never wear a shoe with a sole narrower than the outline of the foot traced with a pencil close under the rounding edge.

3. Never wear a shoe that pinches the heel.

4. Never wear a shoe or boot so large in the heel that the foot is not kept in place.

5. Never wear a shoe or boot tight anywhere.

6. Never wear a shoe or boot that has depressions in any part of the sole to drop any joint or bearing below the level plane.

7. Never wear a shoe with a sole turning up very much at the toes, as this causes the cords on the upper part of the foot to contract.

8. Never wear a shoe that presses up into the hollow of the foot.

9. Never have the top of the boots tight, as it interferes with the action of the calf muscles, makes one walk badly and spoils the shape of the ankle.

10. Never come from high heels to low heels at one jump.

11. Never wear one pair of shoes all the time, unless obliged to do so. Two pairs of boots worn a day at a time alternately give more service and are much more healthful.

12. Never wear leather sole linings to stand upon. White cotton drilling or linen is much better and more healthful.

13. Never wear a short stocking, or one which after being washed is not, at least, one-half inch longer than the foot. Bear in mind that stockings shrink. Be sure that they will allow your toes to spread out at the extreme ends, as this keeps the joints in place and makes a strong and attractive foot. As to shape of stockings, the single digital or "one-toe stocking" is the best.

14. Never think that the feet will grow large from wearing proper shoes. Pinching and distorting makes them grow not only large but unsightly. A proper, natural use of all the muscles makes them compact and attractive.

SOMETHINGS BOYS OUGHT TO KNOW.

That good health is better than wealth.

That manly boys love and obey their parents.

That honest, industrious habits are better than money.

That a clear conscience is worth far more than the applause of men.

That the manly boy says no to evil seducements, and sticks to it.

That to speak or even think disrespectfully of women is to dishonor their own sweet mothers and sisters.

That is to know how to saw wood, plow, make hay or do any other kind of honorable, useful work is better than to know how to dance, play cards, play billiards or bet on horse races.

* * *

Boy—"Are there any hickory nuts in these woods?" Farmer—"Yes, lots of 'em, but I've got a dog that eat a calf yisterday." Boy—"All right; then I guess he won't be hungry to-day. Don't let anybody know how you scared me." Farmer (after being left alone)—"By gum! I wisht I was startin in life agin and had that boy's chance!"

* * *

Erastus—Good mawnin', Mrs. Johnsing, what's yo fink of de mewl since I had him clipped?

Mrs. Johnsing—Bettah look out, clippin' a mewl in wintah time. Fus' fing yo' know he'll git kleptomania.

* * *

Mother—"When the boy in the other house threw stones at you, why didn't you come and tell me?"

Bobby—"Because, mamma, I can throw them back better than you. He is more likely to get hit."

* * *

Peas and beans are both good egg foods, and where there is a supply of either they should be boiled and fed to the fowls.

* * *

Sell some of the corn you were going to feed your chickens and buy oilmeal with the money. It will be a profitable trade.

* * *

Fowls like a variety of food. Give them a cabbage head to pick at or some chopped turnips, beets or potatoes.

Trustee's Sale.

Great Sensation in Prices.

The Trustee of M. Schneeberger has made further cut down prices on every article remaining, as the whole stock must be sold to settle up affairs. To facilitate sales, we put up about 800 to 1000 yards of all kinds of Dress Goods into

WAIST PATTERNS,
Children's and Ladies'
DRESS PATTERNS.

Every piece is marked in plain figures, and the price on these goods is positively more than one-half less the original cost price.

We also put on the counter about 5 or 6 dozen

CHILDREN'S COATS,

in sizes from 1 to 4 years of age. The prices we made on them would not pay for the making of them. In last week's ad. we said that every Ladies' Coat must be sold regardless of cost, and as there are only a few left now, we will let them go for almost a mere song.

LOOK OUT FOR SATURDAY, February 27th.

from which day on there will be surprises in the way of slaughtering goods. Remember the time is coming close when this sale will come to an end, so do not put off coming.

Wall Paper! Wall Paper!

I wish to call the attention of my friends and the public in general to the fact that I now am ready to show one of the

Finest and Cheapest Lines of
WALL PAPER

ever exhibited in this county, bought direct from the factory, in full bundle lots, so you get it only from second hands, no two or three profits coming off it. Of course the consumer pays them all. Sam Jones says it takes a pointer pup nine days to get his eyes open. I have known some people to get their's open in fifteen minutes in a wall paper deal. They thought it was two pieces instead of one, and the border they did not understand, &c. That is always their plea. Remember I am the only paper hanger in the county that carries a stock and don't have the expense of running a store, therefore I have no opposition. If you think I can't save you money, come and see me and bring size of your room, or send size by mail and I will tell you what your job will cost, and send samples and convince you that Gladhill's is the place to save twenty-five cents on a dollar in wall paper.
