My dear Sir

As Mr Conway did not tell me he intended returning by your place till after 11 minutes before he left this, in my hurry I forgot to inform you Mr Burr leaves this on Saturday first for Harrisburg, & will not be home before Tuesday so that any day after that next week I shall be happy to see you – I must go some day this week to Shippingsburg to meet ~~at~~ Barly, as I understand there is a good deal soon in that Neighbourhood – I fear I shall
