Dear Sir — Annapolis Nov.r 8th — 1819 —

I am sorry to trouble you with a call for Money — knowing how difficult it is to procure that article, at the present time — however — I am called on to settle up some Acts. since the Death of Mrs. Scott — and must say that it would oblige me greatly — if you could let me have the $350 200 due in Augt. on Act. of the semiannual payment due to Mrs. Scott — I have been trying in Baltimore lately — to raise some Money — by selling Union Bank Stock — but could not find a purchaser for any — the Stock is quoted at $70 = for a $100 — still no cash can be had for it — yet I was informed that the Bank was good & that the Stock ought to sell for more than $70 — Wheat & flour I found was advancing in price — and I hope trade will grow better — We are all well & join in best respects to Mrs. Minnie — yourself & family —

yrs. Truly
