going on – Mr. Tonny told me yesterday he thought they would break up next week – I am sorry to hear that the fly has injured the Crop of Wheat very much in parts of your County – I hope you are not among the Sufferers – Wheat continues low – Mr. Lloyd carried up last week to Balt. fine Wheat & could get only 97 cents – Tobacco is lower in falling – What is to be done – The fashions do not lower in proportion – My rich Land in Allegany I think would be a good retreat for me – where home made sugar – fine milk – butter – Potatoes & plain manners would be found – all sufficient for the use of Man –

We have had fine growing weather here & our crops promise well – The Oats very fine – My old Friend Genl. Gassaway died yesterday has left a distressed Family –

Mrs. M. & Family are well & join in best respects to Mrs. Bonnie – Miss Bonnie – yourself & Family – with yrs. truly
