Sir

Some days ago Mr Bayly presented Tom Cheell for $150 which was paid - Since which I have received a Letter from the Cashier of the Bank of Columbia, informing me that their last dividend was at the rate of 2 pr Cent per Annum - Consequently the dividend on Tom Stock for the last 6 months is but $180.

If you prefer sending a Negotiable Note for the $50 it will answer our purpose

I am Respectfully

Mr C. Birnie Dear Sir, above you have a statement of your account, the balance coming to you, you will find enclosed — You will no doubt think hard of your luck, but such is the Chance of fortune, were you situated as I am you would have reason to think harder, I have nearly three hundred barrels of old flour remaining unsold, and a good deal of it oily and sour, some of yours is amongst the latter —

Mr. C. Birnie
