The circulation of the notes of the Bank has been brought down to a very small sum, and a considerable diminution in its expences has been now again made. Thus it is hoped that by a regular course of collection (enforced, where requisite, by legal procedure) which it has been determined to pursue, the affairs of this Institution will be soon restored to a better state.

With great respect
I am Sir
Your mo: obt: Hble
J. Mason Pres.

~~Thos. Clark & A. Alexander~~
~~Committee~~

~~I intend if please God going there on this~~
~~Trial - I wish you could send me~~
