A GREAT CELEBRATION.

Waynesboro, Pa., is all astir at this time making elaborate preparations for the celebration of her Centennial, Sept. 1st and 2nd. On Sunday preceding, all the churches of the place will hold historical exercises in the morning and in the evening a grand Union church service will be held in the Centennial Music Hall, a large building being erected for the occasion, with a seating capacity of nearly 3,000.

On Monday evening a Literary and Musical program will be rendered in the same building. For this, the Rev. C. H. Coon, of Philadelphia, a former resident, has now in training a chorus of 250 voices, to be accompanied by a brass band and orchestra. This promises to be a most enjoyable entertainment—the greatest event of Waynesboro's first century.

On Tuesday, Waynesboro Lodge No. 219, I. O. O. F., will celebrate its 50th anniversary. Thousands of Odd Fellows from all parts will join in the great street parade, and at night the Grand Lodge of Pennsylvania will hold a session in Music Hall.

Wednesday the Centennial proper opens with a Civic Parade at 1.30 P. M. Forty-three fire companies and fraternal organizations have accepted invitations and arranged to take part. More than twenty bands, including the famous Ringgold Band of Reading, the Singer Band of Mechanicsburg, the Cornet of Hanover, and many others have been engaged to furnish the music for this parade. At 4 P. M. a soldiers' monument on Burns' Hill cemetery will be dedicated by the honorable John Stewart of Chambersburg.

Wednesday evening a fancy Bicycle Tournament, open to the world, will engage the visitors' attention for an hour or two, and a concert by the Ringgold Band in Music Hall, later in the evening.

Thursday morning the Reel Races will take place at 9 o'clock, on Main street, which, like all Waynesboro's streets, are as smooth as the smoothest macadamized streets. At about 1 P. M. the Trades Display will start at the West end. More than a hundred floats are being built, some magnificent and costing upwards of a hundred dollars each. It is safe to presume that this parade will not be short of two miles in length and beautiful to behold.

On Thursday night the whole affair will wind up with fire works on a large scale. Governor Hastings and staff of Pennsylvania and Governor Lowndes and staff of Maryland and many other distinguished guests will join the pageant, and make addresses in Music Hall Sept. 1st.

Waynesboro is one of the leading towns of Southern Pennsylvania, situated in the beautiful Cumberland Valley, midway between Mont Alto Park and the famous Pen-Mar region, a few miles distant with its scores of elegant Summer Resorts, and unparalleled scenery.

Reduced rates have been obtained over all railroad lines.

WONDERFUL MECHANISM.

The mosquito's bill, minutely delicate as that organ is, is simply a toolbox in which are kept six separate surgical instruments—miniature blood-letting apparatus of the most perfect pattern. Two of these instruments are said to be exact counterparts of the surgeon's lance. One is a spear, with a double-barbed head. The third is a needle of exquisite fineness. A saw and a pump go to make up this wonderful complement of tools. The spear is the largest of the six, and is used in making the initial puncture. Next the lances are brought into play, their work causing the blood to flow more freely. In case this last operation fails to have the desired effect, the saw and the needle are carefully inserted in a lateral direction in the victim's flesh. The pump, the most delicate instrument of the entire set, is used in transferring the blood to the insect.

Wall Paper! Wall Paper!

I wish to call the attention of my friends and the public in general to the fact that I now am ready to show one of the

Finest and Cheapest Lines of WALL PAPER

ever exhibited in this county, bought direct from the factory, in full bundle lots, so you get it only from second hands, no two or three profits coming off it. Of course the consumer pays them all. Sam Jones says it takes a pointer pup nine days to get his eyes open. I have known some people to get their's open in fifteen minutes in a wall paper deal. They thought it was two pieces instead of one, and the border they did not understand, &c. That is always their plea. Remember I am the only paper hanger in the county that carries a stock and don't have the expense of running a store, therefore I have no opposition. If you think I can't save you money, come and see me and bring size of your room, or send size by mail and I will tell you what your job will cost, and send samples and convince you that Gladhill's is the place to save twenty-five cents on a dollar in wall paper.
