Sir

A few days after issuing orders for a board meeting I received a notice from the Military authorities to attend in Uniontown on the 9th Inst., ~~this~~ of itself I should not have thought a sufficient reason to change the day of the board meeting, but on saturday last I saw Col. Eichelberger and he ~~starts this~~ day for George Town, and will not return under ten or twelve days; under those circumstances I have thought proper in your absence to postpone the meeting, until I recieve further orders from your Excellency

Respectfully Yours
