Airy, was brought here, by Sheriff Murray, on Wednesday evening and committed for the action of the grand jury by Justice Wm. H. Baer, in default of $500 bail in each case. Articles belonging to Messrs. Runkles and Browning were found in Young's possession, and it is said he admitted to Lieut. Minor, of the Baltimore police, that he had stolen them.

A man who gave the name of John Adams attempted to steal a ride on the Western Maryland Railroad, from this city, on Saturday last, and would have lost his life if he had not been discovered and rescued by an employe of the road. He endeavored to board a freight train, but missed his footing, and would have fallen under the wheels if he had not been caught and supported until the train was stopped. Justice J. Hoffman Fuss held him for a hearing until Monday and then committed him to the county jail, for thirty days, for violating the law in relation to stealing rides on railroads.

Mr. Wm. Yingling, a well known citizen of Frizellburg, died at his home in that place, very suddenly, of heart disease, about one o'clock yesterday morning, aged 74 years, 15 days. Mr. Yingling was a tinner by occupation, and a very worthy and upright man. He was a member of the Reformed Church and, politically, an earnest Republican. The new time table of the Western Maryland Railroad, which went into effect on Sunday last, will be found in another column. The chief changes are the withdrawal of the Blue Mountain Express and the train which left Union Bridge at 6.37 A. M., and returned at 6 50 P. M., and a change in the time of the regular Union Bridge Accommodation. Instead of leaving its starting point at 5.22 A. M., as during the summer, that train now leaves Union Bridge at 6.05 A. M. and Baltimore at 6.10 P. M. Its time at Westminster, going east, is changed from 6 08 to 6.47 A. M., and going west from 8.05 to 7.58 P. M. The Fast Mail is one minute earlier going east, at Westminster, but the time here is unchanged going west. The Through Passenger's time at this point is not changed in either direction. The Noon Accommodation still arrives at 11.53 A. M., but leaves at 1 16 P. M. instead of 1.20, as by the summer schedule.

The Mayor and Common Council of this city, at their meeting on Monday night, adopted a proposition to increase the tax rate from 30 cents to 37½ cents on the $100. The objects for which the levy was made and the rate for each are as follows: General purposes, 22½ cents; water, 5 cents; interest on bonds, 5 cents; sinking fund, 5 cents. Some of the members of the council favored increasing the rate for general purposes to 25 cents, and a proposition to that effect was made by President Mackintosh. A motion to amend by inserting 20 cents was adopted, Messrs. Mackintosh and Cassell voting in the negative. Mayor Gilbert vetoed the amendment, and the 22½ cent rate was then agreed upon as a compromise. The board was advised by Counsel Roberts that the law authorizing the issue of bonds, to procure money for improving the streets, required the imposition of a tax for the purpose of creating a sinking fund for their redemption at maturity, and that the law is mandatory. Previous boards neglected to obey it, and by the last official statement the city has a sinking fund of less than three hundred dollars. The increased rate for general purposes appears to be a necessity, if the improved highways are to be kept in repair and the city reap the continued advantage of the large sum expended in making the improvements referred to.

Miss Mary Helen Reese, daughter of Mr. J. Fisher Reese, U. S. Consular agent at Charleroi, Belgium, formerly of this city, was married at Brussels, Belgium, September 15th, to Herbert Edward Burgess, son of Capt. John Burgess, R. N.

Let all citizens who have an interest in maintaining equitable government, fair elections, sound money and the people's rights be in attendance. We are more than pleased to add that the chief speaker on the occasion will be Gen. Adam E. King, of Baltimore, the most eloquent and and gifted orator in Maryland. The magic of his name will crowd the hall to its utmost capacity.

Gen. John W. Horn died at Mitchellsville, Prince George's county, on Monday morning. Gen. Horn was well known in this county, having been, for several years in early life, connected with Irving Academy, Manchester, as one of the professors. He served in both the Fifth and Sixth Maryland Regiments in the war, having been lieutenant colonel and colonel of the latter. He was brevetted brigadier general for gallant and meritorious services. Gen. Horn was held in great regard by all his old comrades in the regiments mentioned, and possessed the esteem of all who knew him. He was a member of Burns Post, G. A. R., this city. He was in his sixty-fourth year, having been born in Scotland in 1834, removing to Baltimore, with his parents, in early childhood. For a long time he was the efficient superintendent of the House of Reformation for Colored Boys, at Cheltenham.

Harney Items.

Farmers are about through with their fall seeding and corn cutting. A large crop of wheat has been sown.

A number of persons from here were in Emmittsburg last Sabbath to attend the centennial services in the Lutheran Church of that place.

We understand that Mr. S. S. Shoemaker will make extensive improvements in his storeroom in the near future. Mr. W. Snider is occupying the room at present.

Cows are in great demand and are bringing good prices.

Last week Mr. and Mrs. McCutcheon, of this place, were taken to the alms house at Westminster. They are both far advanced in years and not capable of taking care of themselves. Their friends offered to take them, but they preferred going to the Alms House.

Those who believe chronic diarrhoea to be incurable should read what Mr. P. E. Grisham, of Gaars Mills, La., has to say on the subject, viz: "I have been a sufferer from chronic diarrhoea ever since the war and have tried all kinds of medicines for it. At last I found a remedy that effected a cure and that was Chamberlain's Colic, Cholera and Diarrhoea Remedy." This medicine can always be depended upon for colic, cholera morbus, dysentery and diarrhoea. It is pleasant to take and never fails to effect a cure. 25 and 50 cent sizes for sale by Joseph D. Zepp, Druggist, Westminster, and W. R. Rudy, Mt. Airy.

A few weeks ago the editor was taken with a very severe cold that caused him to be in a most miserable condition. It was undoubtedly a bad case of la grippe and recognizing it as dangerous he took immediate steps to bring about a speedy cure. From the advertisement of Chamberlain's Cough Remedy and the many good recommendations included therein, we concluded to make a first trial of the medicine. To say that it was satisfactory in its results, is putting it very mildly, indeed. It acted like magic and the result was a speedy and permanent cure. We have no hesitancy in recommending this excellent Cough Remedy to anyone afflicted with a cough or cold in any form.—*The Banner of Liberty*, Libertytown, Maryland.
