Rodgers Bionie

the told me that I might go but it was then late for I been there and back again I have very little news to give you but I will give you you the best I have I suppose that it will be soo time for me to begin Greek if I am going to learn it I think this school will not stand very long for I believe it is as much as the can do to pay the two teach and at the september examination most of them are going to leave Mrs Syon has gone to town for one of her daughters had a baby the other day and the boys do pretty much as the please I hope you dont think it would make me displeased for you to correct my mistakes I am glad you done sit. I remain your aff Brother

Rogers Bionie
