Dear Sir Yours
B. Green

It is thought in consequence of Mr McLane's resolutions, the President will not send Ministers to Panama —

this being the case - I advertised it for rent and wish a good Tenant may offer - Mrs Edwards informed me that she was not prepared to pay her last quarters rent on the 1st of April - but would pay it in a few weeks after - which I believe she will do —

I received your Letter of the 16th - saying you intended to go to G. Town - to be there on the 20th - I was glad to hear you were going and hope when we meet - you will be able to give me more favorable accounts of that poor Edl.a - Bantu - there is passing in Annapolis -

I have had a Letter lately from Mr John Scott - I am truly sorry for their unpleasant situation - I will call to see them on my way to G. Town -

With my respects to Mrs Bowie and the young Ladies of your Family -

I am yours sincerely
H. Maynadier
