Annapolis Feby 12th 1826

Dear Sir

I rec^d your letter yesterday, and on the subject of Turnpike roads I will inform you that Mr Lackey reported a Bill to extend the Charters of the different Banks to the year 65 on Condition that they would finish your road the road through Harrisons Gap and the road from Frdk to Harpers Ferry — The Bill was yesterday passed on its passage and lost — 21 voting in favour of the Bill and 37 against it. The opposition from the lower Counties you know is very great, against Turnpike roads —

Dear Father

I arrived safe here on Sunday & regret that Mr Knoxs arrival so much was not until midday on Monday prevented me instituting yr suit this Court, as a writ could not have been returned previous to the sessions of the Court — As to Digman matters are now just as they were he has not settled with Crabster consequently will make no distribution of the interest so that you need not expect to receive money to pay yr Taxes from him, Lord to all

I remain yr Affectionate Son
