Dear Sir, Your favour of the 10th came to hand yesterday morning my Neighbour Mr. Hughes and myself Rode to Mr. Sanders in the afternoon to see him about the Grape Cuttings, I shew him your Letter, he says he will have from 3 to 400 of the kinds you want and will send them on to Jerusalem Town to-morrow by the Mail Stage, he does not approve of planting Cuttings in a nursery, he thinks they never do so well after taking them up and replanting them, he thinks they do best planted where you mean them to remain. On Saturday last I finished replanting my Hedge where it was missing, I am now at a loss and wants a little of your experience will you be good enough to drop me a few lines by the next Mail and inform whether you would advise me to cut down the young hedge I planted this time two years and if so what time you would advise it to be done, and how near the ground you would cut them, and whether I ought to cut those off that I replanted with? I am sorry to say that I have not quit recovered my health, but am mending slowly and wish it were in my power to leave home as
